

The word unique means being the only one of its kind, or having no equal or parallel. It can also describe something very unusual, rare, or special. You can explore more definitions and usage notes on Merriam-Webster or Cambridge Dictionary.

Key Meanings and Uses

- One of a kind: Being the sole example or single copy of something.
- Exclusive: Limited to a specific place, group, or condition (e.g., a plant unique to one island).
- Unusual: Highly remarkable or out of the ordinary, though some grammarians argue it should not be modified by words like "very" because absolute states cannot be measured.

Synonyms and Antonyms

- Synonyms: Rare, single, unmatched, solitary, exceptional, uncommon.
- Antonyms: Common, ordinary, usual, regular, standard.
