David,

Let me be clear. Stay away from me. Stay away from my family. Do not contact me. Do not contact people I know in any way shape or form. You are harassing me. You are stalking me. I genuinely fear for my safety as you continue to contact me despite me asking you to stop. Especially in light of you showing up at my old home which I never invited you to or provided an address to.

Further, you are not in any position to make any assessment on me in any capacity. Do not continue to try to tarnish my reputation

not continue to try to tarnish my reputation or career. You are trying to dismantle 13 years of blood, sweat and tears to get your way and believe that you have the right to demand and attempt to control me. You are not going to get what you want from me.

I cut you out of my life for over 13 years ago for a reason. A reason that continues to be proven each time you re-enter my life. Therefore, you do not have a place in my life. You do not have a place in my daughter's life. I am in the process of getting my Child Protection files from Roanoke VA, and in the event you wish to try to engage in a legal dispute over alienation, I will be sure to enter those files into evidence.

I never want to see you again. I never want to hear from you again. I do not want you in my life. This is the last time I'm going to ask. Please cease all contact with me and cease any and all interference in my life. All you have done is cause more pain and distress as you always have in my life.

I have included Clavton Co Sat Shewman

I have included Clayton Co Sgt Shewman into this email so she is aware I have stated this all very clearly.

If you return to Queensland, you will be informed by Queensland Police that you are wanted for questioning in relation to your ongoing harassment.

From this point forward, you will be blocked from sending me any further communication on this email. If you continue to email from other email addresses, I will continue to forward them on to Sgt Shewman.

May God have mercy on your soul, David.

Regards
Ashly.
