

To convey means to carry something from one place to another, to share a message or feeling, or to legally pass property to a new owner.

Main Meanings

- Transport: Moving physical things or people. For example, pipes convey water to a house.
- Communicate: Sharing ideas, thoughts, or emotions. For example, words help convey a clear message.
- Transfer (Law): Handing over the legal ownership of land or property to someone else.

Common Uses

- Everyday talk: "Please convey my best wishes to your family."
- Science and nature: "Metal pipes convey heat quickly."
- Real estate: "The house sale will convey the backyard shed to the buyer."
