Hey, where did you and the pups go? You're MIA for almost a year now. How about you give everyone a heads up with a check in. Hope all is well and you didn't lay down that sweet ride.

Lol hi

Thanks for your consideration and concern

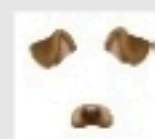

Relationship has been really toxic and just haven't been myself

Maybe it'll get better if you both
work at it together with open
communication.

How's your fur-babies doing
through all of the ups & downs?

Probably what has kept the
relationship going is the dogs
lok

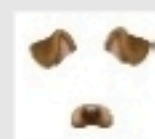

Do I know you?

Found you by accident, I was trying
to find some stuff from the cartoon
Family Guy, Quagmire, who says
"Giggity Giggity"

I'm new on TikTok, and I'm just
curious but I'm also generally
